## **P& R CANCELLATIONS**

### **Parks & Recreation Program Changes & Weather Cancellations:**

Programs that are cancelled or postponed due to weather conditions, equipment failure or other unforeseen circumstances beyond our control will be announced as soon as possible. Parents are asked to pick up their children from the program site as quickly as possible if adverse weather conditions occur. Unless otherwise announced, there will be no rescheduling of youth programs or other special events.

FYI...Parks & Rec Summer DAY CAMPS are normally held rain or shine.

For program cancellations, like the “City of Clear Lake Parks & Recreation Department” page on Facebook or call 641-357-7010 (Mon-Fri, 8am-5pm).

### **Swim Lesson Cancellation & Class Makeup Policy**

Cancellations are announced as quickly as possible on the “City of Clear Lake Aquatic Center” Facebook page or by calling 641-357-5267 between 8 am – 5 pm. Make-up classes are normally held on the Friday of that same week (morning class times remain the same, but evening classes made up at 7 pm, rather than 6:30 pm).
